

§ 53.8

the agreement reached under § 53.2 with the State in which the work is done. In the case of low pathogenic avian influenza related to the 2002 disease situation in Virginia associated with the H5 or H7 virus, premises may not be restocked with poultry until at least 7 days following such cleaning and disinfection, unless the Administrator determines that a shorter or longer period of time is adequate or necessary to protect new poultry against infection.

§ 53.8 Presentation of claims.

(a) Except for claims made under § 53.11, claims for the following must be presented to APHIS, through the inspector in charge, on a form approved by the Administrator:

- (1) Compensation for the value of animals;
- (2) The cost of burial, burning, or other disposition of animals;
- (3) The value of material destroyed; and
- (4) The expenses of destruction.

(b) In the case of claims made under § 53.11, claims for compensation for losses from poultry destroyed or to be destroyed must be presented to APHIS, through the inspector in charge, on a form approved by the Administrator, and the claim must specify the number, type, and age of the poultry.

(c) To be considered by the Department, claims made under § 53.11 must be submitted to APHIS within 90 days after December 9, 2002 or the destruction of the poultry, whichever is later.

§ 53.9 Mortgage against animals or materials.

When animals or materials have been destroyed pursuant to the requirements contained in this part, any claim for indemnity shall be presented on forms furnished by APHIS on which the owner of the animals or materials shall certify that the animals or materials covered thereby, are, or are not, subject to any mortgage as defined in this part. If the owner states there is a

§ 53.10 Claims not allowed.

(a) The Department will not allow claims arising under the terms of this part if the payee has not complied with all quarantine requirements.

(b) Expenses for the care and feeding of animals held for destruction will not be paid by the Department, unless the payment of such expense is specifically authorized or approved by the Administrator.

(c) The Department will not allow claims arising out of the destruction of animals or materials unless they shall have been appraised as prescribed in this part and the owners thereof shall have executed a written agreement to the appraisals.

(d) The Department will not allow claims arising out of the destruction of animals or materials which have been moved or handled by the owner thereof or its officer, employee, or agent, acting within the scope of his or its office, employment or agency, in violation of a law or regulation administered by the Secretary for the prevention of the introduction into or the dissemination within the United States of any communicable disease of livestock or poultry for which the animal or material was destroyed, or in violation of a law or regulation for the enforcement of which the Secretary enters or has entered into a cooperative agreement for the control and eradication of such disease.

(e) The Department will not allow claims arising out of the destruction of fish due to infectious salmon anemia (ISA) unless the claimants have agreed in writing to participate fully in the cooperative ISA control program administered by APHIS and the State of Maine. Participants in the ISA control program must:

- (1) Establish and maintain a veterinary client-patient relationship with an APHIS accredited veterinarian and inform the ISA Program Veterinarian

in writing of the name of their accredited veterinarian at the time the participant enrolls in the ISA program and within 15 days of any change in accredited veterinarians.

(2) Cooperate with and assist in periodic on-site disease surveillance, testing, and reporting activities for ISA, which will be conducted by their APHIS accredited veterinarian or a State or Federal official as directed by the ISA Program Veterinarian.

(3) Develop and implement biosecurity protocols for use at all participant-leased finfish sites and participant-operated vessels engaged in aquaculture operations throughout Maine. A copy of these protocols shall be submitted to the ISA Program Veterinarian at the time the participant enrolls in the ISA program and within 15 days of any change in the protocols.

(4) Develop, with the involvement of the participant's accredited veterinarian and the fish site health manager, a site-specific ISA action plan for the control and management of ISA. A copy of the action plan shall be submitted to APHIS for review at the time the participant enrolls in the ISA program and within 15 days of any change in the action plan.

(5) Participate in the State of Maine's integrated pest management (IPM) program for the control of sea lice on salmonids. A copy of the management plan developed by the participant for the State IPM program shall be submitted to APHIS for review at the time the participant enrolls in the ISA program and within 15 days of any change in the management plan.

(6) Submit to the ISA Program Veterinarian at the time the participant enrolls in the ISA program a complete and current fish inventory information for each participant-leased finfish site with site and cage identifiers. Fish inventory information must include the numbers, age, date of saltwater transfer, vaccination status, and previous therapeutic history for all fish in each participant-leased finfish site.

(7) Maintain, and make available to the ISA Program Veterinarian upon request, mortality data for each participant-leased finfish site and pen in production.

(8) Cooperate with and assist APHIS in the completion of biosecurity audits at all participant-leased finfish sites and participant-operated vessels involved in salmonid aquaculture.

§ 53.11 Payments arising from low pathogenic avian influenza; conditions for payment.

In the case of low pathogenic avian influenza related to a 2002 disease situation in Virginia associated with the H5 or H7 virus, the Administrator may pay claims, subject to available funding, as follows:

(a) *For contract growers.* The Administrator may pay a contract grower up to 100 percent of the losses identified in accordance with the LPAI compensation plan, up to the amount that the owner is eligible to receive before grower compensation is deducted.

(b) *For owners.* The Administrator, in accordance with § 53.4, may pay an owner up to 50 percent of the value of the poultry destroyed plus 50 percent of the costs of destruction and disposal of the poultry, in accordance with the LPAI compensation plan, minus the amount paid in accordance with paragraph (a) of this section to the contract grower of that poultry.

(c) *Conditions.* Payments to be made in accordance with paragraph (a) or (b) of this section are conditioned on each claimant's complying with all applicable requirements of this part and, additionally, agreeing to and complying with the specific conditions set forth in the "Avian Influenza Depopulation Agreement" regarding cleaning and disinfection, restocking, surveillance, and other disease prevention measures.
